

JOIN US FOR THE MONTH OF JULY

And see what happens when groups of high-achieving youth go beyond science, technology, engineering, arts and math to push the limits of what's possible.

- Grade 10, 11 and 12 students have the opportunity to be challenged beyond their high school curriculum, with like-minded peers
- Spend the month at a Canadian university campus and become a SHAD Fellow for life
- Talk to your teacher or guidance counsellor for more information about becoming a SHAD Fellow and apply today
